

# New and updated contraception and sexual health brochures

Family Planning Victoria's new and updated brochures on contraception and sexual health are now available for the introductory price of \$5.50 for 25.

Clinically reviewed and updated by FPV's senior medical officers, all brochures draw on up-to-date, evidence-based information on sexual and reproductive health.

They cover a broad range of topics, including the different methods of contraception available in Australia, sexually transmissible infections, puberty for boys and girls as well as sex and ageing.

*To order, complete the attached form and fax or mail to the address provided.*
